# ABOUT BRONKHORSTSPRUIT

Bronkhorstspuit is a town 50 km east of Pretoria, Gauteng, South Africa along the N4 highway towards eMalahleni. It also includes three townships called Zithobeni, Rethabiseng and Ekangala. On 18 May 2011, the Tshwane Metropolitan Municipality took over the municipal administration from the abolished Kungwini Local Municipality, which makes Bronkhorstspuit part of Tshwane.

## HISTORY

In 1858, a group of Voortrekkers settled beside the Bronkhorst Spruit creek, which was originally called Kalkoenkransrivier ('turkey cliff river'). The town was laid out on land of the farm Hondsrivier in 1904 owned by C.J.G. Erasmus and was initially named after him. It adopted the name Bronkhorstspuit in 1935. On 20 December 1880 it was the scene of the Battle of Bronkhorstspuit, an important event in the early days of the First Boer War when a Boer Commando ambushed a British army column, 94th Regiment of Foot, near the present town en route from Lydenburg to Pretoria. There is disagreement about where the town got its name from. Some believe it was named after the farmer J.G. Bronkhorst, while others say that it was named after the plant, bronkors (Afrikaans for watercress), that grew in the region of the creek. Bronkhorstspuit was the seat of the Metsweding District Municipality as well as the Kungwini Local Municipality. Then, on the day of South Africa's 2011 general elections (18 May 2011), the entire Metsweding District ceased to be its own municipality and became part of the Tshwane Metropolitan Municipality.

## PARKS & GREENSPACE

Ten kilometers to the south of town lies Bronkhorstspuit Dam. Bronkhorstspuit Dam is a concrete-arch type dam on the Bronkhorst Spruit, near Bronkhorstspuit, Gauteng, South Africa. It was established in 1950, and its main purpose is for domestic supply and industrial use. The lake's shores are home to numerous recreational resorts and exclusive housing projects. It is a mecca for boating and water sports such as sailing, jetskiing, waterskiing and parasailing.

## PLACES OF INTEREST

Cultura Park, a suburb of Bronkhorstspuit, hosts the largest Buddhist temple in Africa. Nan Hua Temple houses the South African headquarters of the Fo Guang Shan sect, a Humanistic Buddhist order.

## AGRICULTURE

Being an agricultural area, maize, sorghum, groundnuts, sunflower seeds, sheep and cattle are grown and raised

## MINING

Fire clay is as well as coal mined in the area.
